MEMORADNUM FOR: Director of Central Intelligence

Via:

FROM:

DDCT

[redacted]
Director, Intelligence Community Staff

25X1

SUBJECT: Follow-up to CCC&T Meeting on the Space Station

1. As we discussed Tuesday morning, a memorandum to Ed Meese is attached which reflects the discussion at the Cabinet Council meeting on the NASA space station proposal and conveys support for the thrust of Jay Keyworth's idea for a space summit to provide recommended bold goals for NASA. [redacted]

25X1

2. Our current understanding is that the White House Staff is preparing the President to make, but not announce immediately, a decision on the Space Station by this Friday. [redacted]
